

Privacy Policy

The International Association of Dental Traumatology (“IADT”) has built the ToothSOS app as a Free application to provide users with information for Patients and Professionals in the event of a traumatic dental injury (“Service”). This SERVICE is provided at no cost and is intended for use as is. This page is used to inform website visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decides to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, as the same may be revised and updated, which is accessible at ToothSOS unless otherwise defined in this Privacy Policy.

Information Collection and Use

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information. The information, if requested by us, may be retained by us and used as described in this Privacy Policy.

The app may use third party services that may collect information used to identify you. In the future, we envision using “location services” to provide users with dentists and emergency care facilities close to their location. You are advised to check this Policy periodically for any updates which may result from the use of such location services.

Log Data

Please be advised that we collect data and information through third party products on your phone called Log Data. This Log Data may include information such as your device Internet Protocol (“IP”) address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics. This information may also be collected if you connect your account to a third party and grant access to such data. We are not responsible for any errors for data collected by such third parties.

Cookies

Cookies are files with small amount of data that are commonly used as an anonymous unique identifier. These are sent to your browser from the website that you visit and are stored on your device's internal memory.

This Service does not use these "cookies" explicitly. However, the app may use third party code and libraries that use "cookies" to collection information and to improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Service Providers

We may employ third-party companies and individuals for the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

These Services do not address anyone under the age of **18**. We do not knowingly collect personally identifiable information from children under **18**. In case we discover that a child under **18** has provided us with personal information, we immediately delete this from our servers. If you

are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to take necessary actions.

Changes to This Privacy Policy

We reserve the right to and may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes, and you will be deemed to have accepted such changes by the continued use of our Services. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
